

College Park Partnership Business Façade Grant

Procedures and Conditions- Revised January 2018

Purpose

Building appearance plays an important role in enhancing the image of College Park. The College Park Main Street Business Façade Grant was designed to revitalize the business corridor within College Park through funding for building façade improvements (“Grant”). Grants made to properties will encourage reuse of vacant or underutilized properties, improve appearance, and support the long-term viability of the College Park business district.

Grant Structure and Criteria for Selection

The College Park Main Street Business Development Committee will oversee the Business Façade Grant Program. A building façade improvement is defined as the renovation/restoration of building faces that are visible from the street. Funding is based on budget availability and will be considered on a “first come, first served basis”. Application submission **does not** guarantee approval.

Applications will be reviewed for completeness and compliance with program criteria. Projects that do not comply with the program criteria and conditions will not be eligible for funding. All members of the entity applying for the Grant must sign the grant application. For example, if the applicant is the property owner, all property owners, authorized corporate officers, or partners must sign the application. If the applicant is the tenant, all authorized corporate officers or partners of the tenant business must sign the application. Tenants who are applying for a Grant must supply proof of a lease for the subject property that identifies at least *one (1)* year remaining in the lease term or that extends through the program agreement term (up to five years).

Prior to consideration for a Small Business Façade and Site Improvement Grant, the subject property must be free from any liens (excluding mortgage liens), judgments, or encumbrances of any kind (excluding easements), and all City and College Park Main Street obligations must be current. College Park Main Street reserves the right to contract for a title search and/or ownership and encumbrance report at the City’s discretion, the cost for which will be deducted from the Grant funds at the time of disbursement, if Grant funding is approved.

The Façade Grant Review Committee is designated by the Economic Vitality Committee to review Grant applications on a regular basis and to make recommendations of approval to the College Park Main Street Board of Directors. The Façade Grant Review Committee is comprised of representatives of the Economic Vitality Committee and the Design Committee.

The Grant funding awarded will be based on the lowest of at least three (3) qualified bids submitted by the applicant. The owner and/or applicant may elect to choose a contractor other than the one with the lowest qualified bid, but shall be responsible for all costs exceeding the lowest qualified bid. In all cases, the selected contractor must be licensed and insured. College Park Main Street will not be responsible in any manner for the selection of a contractor. A property owner and/or tenant should pursue all activities necessary to determine contractor qualifications, quality of workmanship, and reputation. The property or business owner will bear full responsibility for reviewing the competence and abilities of prospective contractors and secure proof of their licensing and insurance coverage. *The requirement of three bids may be waved at the discretion of the review committee.*

Program Funding

Under the program, College Park Main Street will fund 50% of the total project cost. Total loan assistance from College Park Main Street shall not exceed \$5,000 for College Park Main Street members in good standing, or \$2500 for College Park Main Street non-members. The applicant(s) will be responsible for the remaining 50% of the total project cost. All Applicants (and property owners if the applicant is a tenant) must sign the Funding Agreement.

In order to ensure that funds are available, improvements to be made under this grant must be initiated (secured all necessary permits) within 90 days and completed within one (1) year of the date of execution of the funding agreement. Extensions may be granted by the College Park Main Street board, given just cause by the applicant. (e.g. contractor delays, Acts of God, etc.)

Procedures

The procedure for project review is as follows:

1. Review Grant Application

Once an eligible application and the supporting documents are received, the Economic Vitality Committee will assess the application with regard to all program requirements. All eligible applications will be forwarded for review according to the Grant criteria. The Committee may recommend approval, deny, or table applications. If the Committee recommends approval of an application for a Grant, it shall establish COLLEGE Park Main Street's maximum grant participation (not to exceed dollar amount) based on the lowest of the three ~~(3) qualified bids submitted by the applicant.~~ **acceptable bid.**

2. Final Agreement and Construction

Once the Economic Vitality Committee recommends approval, a funding agreement will be presented to College Park Main Street Board of Directors for approval. If approved for funding, the applicant (and property owners, if a tenant is the applicant) shall sign the required funding agreement. After the funding agreement has been executed on behalf of College Park Main Street, the applicant may secure permission from the City to construct by securing appropriate building permits. Substantial modifications to final plans or change orders to construction documents which produce visible differences in the previously approved façade design will require review and approval of the Economic Vitality Committee. Evidence of licensure and insurance of the selected contractor(s) shall be submitted to the Economic Vitality Committee prior to commencement of any work associated with the Grant.

3. Construction Approval

On completion of construction, including final inspection by the Permitting Services Division, the grantee shall submit a request for reimbursement to the College Park Main Street Executive Director. Along with request for reimbursement, the grantee must submit the following to assure the terms of the agreement have been honored:

- Proof of all project costs, including contractor invoices
- Receipts proving payment for services and supplies
- Lien release(s) by the contractor(s)
- One photo of each improvement and at least one photo of the entire façade

The CPP Executive Director will certify that all work was permitted and inspected by the City's Permitting Services Division and verify the work was completed in a satisfactory and professional manner. Discrepancies will be noted and a time frame for their correction will be established as necessary. If there is a strong

deviation in improvements as approved by the Business Development Committee, the CPP reserves the right to deny reimbursement.

6. Disbursements

Funds will generally be provided upon completion of the project. However, at the discretion of College Park Main Street and pursuant to the terms of the funding agreement, funds may be distributed incrementally as phases of the approved project are completed. Reimbursements will be made according to College Park Main Street's accounting procedures with funds disbursed by check payable to the grantee. All Grant funds shall be issued to the grantee on a reimbursement basis only.

Available Funds

The CPP may from time to time at its discretion establish annual funding for the program.

Disclosures

The CPP expressly reserves the right to reject any and all applications or to request additional information from any and all applicants and grantees. The CPP retains the right to amend the program guidelines, agreements, and application procedures. The CPP also retains the right to display and advertise properties that receive matching funds under this grant.
